Your transfer between investments

Interfund transfers will be processed using the next available unit value*. Unit values are declared after the market close each business day. Interfund transfers received after 4:00 pm EST will be processed using the unit values declared at the end of the next business day.

* All transactions involving funds that invest primarily outside of North America will be processed on the second business day. This allows for time zone differences and ensures that unit values reflect the most current market activity.

Transfer minimum of 5% per fund, whole numbers only. Total of all funds being transferred must equal 100%.

Please enter the fund code for all funds. Fund code names and details appear online at www.manulife.ca/GRO or in the Group Investment Report. Investments transferred from the Guaranteed Interest Accounts (GIAs) before maturity may be subject to a market value adjustment. A 2% frequent trading fee may apply to interfund transfers into a fund, then out of the same fund within 15 calendar days.

Group IncomePlus information

If your plan offers Group IncomePlus note this option is intended to provide you with guaranteed retirement income. Before you select Group IncomePlus, learn more by logging into your account at www.manulife.ca/GRO.

If you transfer funds to your existing Group IncomePlus, please remember that a contribution exceeding 20% of your Guaranteed Benefit Base will reset your Minimum Five (5) Year Holding period whether you make one large contribution or a series of smaller transfers and contributions over a 365 day period.

Interfund transfers from Group IncomePlus will reduce your Guaranteed Benefit Base and the Guaranteed Annual Income Amount it will provide. If the amount of the interfund transfer is more than your Guaranteed Benefit Base, a Freeze Period will begin. You will not be able to make any Occasional Contributions to Group IncomePlus until this period concludes.
